## RESPONSIBILITIES OF THE COMMITTEE

### Audit and Risk Management

#### Risk management

- To consider and advise the Board of Trustees on the adequacy and effectiveness of the Trust's audit arrangements, risk management and control and processes for the effective and efficient use of resources, the solvency of the Trust and the safeguarding of its assets. To produce an annual report to the Board of Trustees and Accounting Officer that outlines the activities of the Committee as they relate to the year under review and to the terms of reference of the Committee. The report should also include the Committee's opinion on the adequacy and effectiveness of the Trust's systems and arrangements for risk management, control any significant matters arising from the work of the auditors.
- To oversee the Trust's policies on fraud and irregularity and whistleblowing, and ensure the proper, proportionate and independent investigation of all allegations and instances of fraud, theft and/or irregularity; that investigation outcomes are reported to the Finance and Audit Committee; that the external auditors (and internal auditors where appointed) have been informed, and that appropriate follow-up action has been planned/actioned, and that all suspected cases of fraud, theft and/or irregularity are notified to the ESFA in accordance with the Academies Financial Handbook.

#### Audit

- To establish, in conjunction with management, relevant annual performance measures and indicators and to monitor the effectiveness of the external and internal auditors through these measures and indicators and decide, based on this review, whether a competition for price and quality of the audit service is appropriate
- To advise the Board of Trustees on the appointment, reappointment, dismissal and remuneration of the external auditors and internal auditors and establish that all such assurance providers adhere to relevant professional standards.
- To consider and advise the Board of Trustees on the internal audit strategy and annual audit plans, the outcome of work should inform the governance statement that accompanies the Trust's annual accounts and, so far as possible, provide assurance to external auditors.
- To advise the Board of Trustees on all audit reports relating to financial management and on any control issues included in them and management's response to them.
- To monitor, within an agreed timescale, the implementation of agreed audit recommendations.
- To consider and advise the Board of Trustees on relevant reports by the Funding Agency and where appropriate, management's response to these.
- To inform the Board of Trustees of any additional services provided by the external and internal auditors and explain how independence and objectivity were safeguarded.
- To examine the audited annual financial statements in conjunction with the management report of the external auditor, with particular reference to whether the statements:
  - Properly reflect the significant accounting policies selected.
  - Reflect estimates and other financial statement elements that are reasonable and consistent.
  - Adequately disclose all major transactions and issues.
