

# INSPIRING PRIMARIES ACADEMY TRUST

## OUR SAFE RETURN PLEDGES

As our schools open fully, Inspiring Primaries Academy Trust is committed to the safety and well-being of our children, our staff, our families and our communities.

### Our pledges to you:

1		We will continue to listen and respond to official guidance and keep our practices in schools up to date.
2		We have developed a risk assessment framework focused on the safety of children and staff, from the best sources of official guidance and advice and we will update it as guidance evolves.
3		With social distancing practices in mind, we have redesigned the layout of the school site looking at: drop off and pick-up; safe ways of walking round the school; lunch arrangements; and safe teaching practices
4		We have stocked up on key PPE and cleaning materials including: soaps and hand sanitiser; dispensers; visors; face masks; gloves; wipes; aprons.
5		We will monitor the well-being of our children, staff and families and encourage participation in surveys to help us understand how we can help.
6		We will stay in touch through emails, phone calls, text messages, social media, school websites and we want to hear from you. Please contact your school office (telephone or email) if you have any questions.
7		We will do our best to accommodate individual needs where possible.

### The pledges we ask of you:

1		Please follow social distancing and sanitation guidelines: e.g. drop off and pick up rules; hand washing prior to school arrival and after school departure.
2		Please keep the school informed of all relevant health and attendance issues - for your children and family members - so they can continue to support you and your children as best as they can.
3		Where children can't attend the school, please commit to learning from home and staying in continuous contact with the school.

'To develop flourishing, lifelong learners in partnership with the communities we serve.'
